MOROCCO DENTAL EXPO

EXHIBITION PRESENTATION

Dental Expo is positioned as the largest independent event dedicated to the dental sector in Morocco, bringing together each year a wide range of professionals.

MOROCCO DENTAL EXPO 2026 is part of a continuous innovation dynamic serving oral health. As a true platform for exchange and development, the event strengthens its strategic positioning by fostering partnerships between Moroccan dental professionals and international decision-makers.

This event will host approximately **6,000 professional visitors**, mainly dentists, dental technicians, and distributors. They will discover a modern and spacious exhibition area bringing together **+ 135 exhibitors**, covering all disciplines related to dentistry: **Dental Equipment and Consumables, Laboratories, Education and Training**, etc.

ÉDITION 2026 DENTAL TRIBUNE

DENTAL TRIBUNE will be organized alongside the exhibition, in perfect synergy with the exhibition.

This prestigious scientific program will bring together a panel of leading national and international experts, recognized for their expertise in various fields of modern dentistry.

The objective is to create a space for knowledge sharing, professional development, and scientific updates through:

- **Thematic conferences** covering the latest advancements in restorative dentistry, implantology, orthodontics, medical imaging, digital technologies, etc.
- **Hands-on workshops and live demonstrations,** allowing professionals to explore, handle, and compare the latest technological innovations:
  - New-generation intraoral scanners
  - 3D printing systems applied to dental prosthetics

"Dental Expo: Where innovation meets dental expertise"
