ABOUT THE EXHIBITION

PROFOOD Expo is a key international exhibition showcasing equipment, technologies, and ingredients — bringing together manufacturers, processors, suppliers, and HoReCa representatives.

It’s a platform where the future of the food industry takes shape.

Be part of it! Present your brand where new standards of quality and taste are created.

8 AREAS FOR FOOD BUSINESS DEVELOPMENT

Dairy products

Dairy products and derivatives: butter, fermented dairy products, sports nutrition (protein and more). All everyday consumer goods (milk, chocolate, etc.), including production and packaging technologies, as well as certification issues.

Meat products

Meat products, semi-finished goods, ready-to-eat items, processed meat, production and packaging technologies, and certified products. The section also features Halal products that comply with international and national certification standards, making this sector particularly relevant for both domestic and export markets.

Organic and Health Products

Food segment for producers of organic, eco and bio products, functional nutrition, gluten-free and specialized foods.

HoReCa & FoodTech:

Equipment for restaurants, cafés, and hotels, automation and online delivery systems, management software, and products for the HoReCa sector.

Franchise

Restaurant and retail concepts, bakeries, confectioneries, coffee shops, fast-food cafés, and other business models in a franchise format.

Consumer goods

A wide range of consumer goods — from confectionery and chocolate to beverages, snacks, and packaging solutions. The section covers both finished products and the technologies of their production, marketing, logistics, and certification.

BeviTec — International exhibition of equipment, ingredients, and packaging for beverage production.

MODERN BAKERY MOSCOW — International Exhibition of Equipment and Ingredients for Bakery and Confectionery Production.

BENEFITS OF PARTICIPATING IN PROFOOD EXPO

1 **Only Targeted Contacts**

PROFOOD Expo connects participants and visitors based on shared interests. The B2B matchmaking system allows you to schedule meetings in advance and create a personalized negotiation agenda.

2 **Access to a Growing Market**

Kazakhstan is the largest hub for food processing and distribution in Central Asia. Participation opens doors to rapidly growing domestic demand as well as export opportunities.

3 **Investment Opportunities**

The industry is actively modernizing: demand for technologies, packaging, logistics, and automation grows every year. The Expo is a place to form long-term partnerships and launch new projects.

4 **HoReCa and Retail on One Platform**

Owners, chefs, buyers, and representatives of distribution networks — all the decision-makers for purchasing and implementing technologies — come together in one place.

B2B MATCHMAKING — YOUR KEY TO KAZAKHSTAN'S FOOD MARKET

Only exhibition participants get access to the **B2B Matchmaking** service — an intelligent system for scheduling meetings with key buyers and partners.

With the pre-selection system, you can:

1 Receive a list of relevant companies before the exhibition

2 Schedule meetings and get online confirmations

3 Have a personalized negotiation schedule at the venue
